Blackhawk Kitchen Murals and Borders

All our tile is handcrafted. This means we start with raw clay and can roll, press or cut to meet your needs and specifications. Blackhawk specializes in handbuilt bas-relief tile.

Vegetable Medley Mural (18" X 30") shown here in a monochromatic custom cream glaze. Underneath the mural is shown a repeating vegetable pattern also in cream glaze. Each of these tiles are 6" x 6", and can be ordered in other single colors or a variety of polychrome palettes.
